Children in Charge

What would happen if kids ruled the world? Describe at least three ways in which the world would be a different or better place.

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you might…

- *list some good qualities that most kids have.*
- *think about how those qualities might make the world a better place.*
- *include your best ideas in your writing.*
